

Welcome to 4599 Langstaff!

Design Generation builds to **WOW**. 4599 Langstaff is situated in a secluded wooded area in close proximity to a busy city center. A rare property that is nearly impossible to find in the Greater Toronto Area in today's market. When approaching its handsome exterior, this house is built to be **ONE-OF-A-KIND**. 4599 Langstaff is designed with one focus **INDIVIDUALITY**. Built to be a family home, this house is designed years ahead of its time. Where **RETRO** meets **MIAMI** meets **RUSTIC**, this home is a timeless masterpiece. Open the doors to your next **OASIS**.
